## EUA NAMED ONE OF THE BEST ARCHITECTURE FIRMS TO WORK FOR IN THE U.S.

MILWAUKEE — Eppstein Uhen Architects (EUA) was ranked number 29 on a national survey of the best architecture firms to work for in the U.S., making it the only Wisconsin-based firm to be named in the top 30 listing. Greg Uhen, president and CEO of EUA, accepted the award on behalf of the company at a ceremony held on Sept. 18 in San Francisco, Calif.

The “Best Architecture Firms To Work For” survey was conducted by Zweig White, the country’s leading source of management consulting, information and education for the design and construction industry. Zweig White evaluated firms based on corporate and employee survey results that assessed benefits, compensation, training and mentoring programs, turnover rates, career development opportunities, company culture and values and quality of work.
