EUA NAMED ONE OF SOUTHEASTERN WISCONSIN'S "BEST PLACES TO WORK"

MILWAUKEE — Eppstein Uhen Architects (EUA) has been recognized as one of the "Best Places to Work" in Southeastern Wisconsin by *Milwaukee Magazine* and MRA-The Management Association. EUA was one of just 13 medium-sized companies to be honored with this title.

Milwaukee Magazine and MRA teamed up to evaluate workplace practices among companies in Milwaukee, Waukesha, Ozaukee, Washington, Racine, Kenosha and Walworth counties. To be named to the final list, companies in the seven-county metro area were evaluated via online surveys and interviews on nine specific categories: pay, benefits, additional perks, turnover, work/life balance, training and employee development, diversity, community involvement and employee voice.

Results of this rigorous and competitive selection process can be viewed in the April 2008 edition of *Milwaukee Magazine*, which features photos of EUA's Milwaukee office.
