JEFF HOFFMANN JOINS EUA AS SENIOR LIVING SPECIALIST

MILWAUKEE — Eppstein Uhen Architects (EUA) is pleased to welcome Jeff Hoffmann as a Senior Living Specialist in our Living Environments Studio. In that role, Jeff will be responsible for developing new relationships and architectural project opportunities with senior living facility developers and operators.

Jeff brings EUA more than 20 years of client development experience. For the past 10 years he has been responsible for project development and client relationships for two construction companies, and he has extensive experience planning, developing, designing and constructing all types of living environments. In his last position, Jeff worked nationwide developing 17 facility projects for a national assisted living company.

“We are very excited to have Jeff join our senior living team,” Living Environments Studio Director John Miceli said. “Jeff’s knowledge of the design and construction industry combined with his understanding of the diverse needs of senior living developers and operators is unique. He will be an asset to our team as well as to our senior living clients.”

Eppstein Uhen Architects, Inc. is a full-service, 102-year-old design firm best known for pairing inspired design with exceptional client service. More than 100 employees in Milwaukee and Madison are challenged to go beyond design by demonstrating a passionate commitment to the markets they serve, the community and their clients. The firm specializes in several distinct markets: public, education, health care, senior living, residential, industrial, corporate, retail, mixed use, master planning, and interior design. For additional information, please visit www.eua.com.
