## NELSON JOINS EUA AS SENIOR PROJECT DESIGNER

MILWAUKEE — Eppstein Uhen Architects (EUA) is pleased to announce that Brian Nelson has joined its Milwaukee office as a senior project designer in the health and wellness studio. In this role, he will lead and oversee the design process for many of the firm's healthcare projects.

Nelson is an award-winning designer who brings more than 10 years of architecture and design experience to his position at EUA. Throughout his career he has developed an impressive portfolio, working on many notable projects including Aspirus Wausau Hospital Heart Institute in Wausau, Wis., Community Memorial Hospital in Menomonee Falls, Wis., and Lake Forest Hospital in Lake Forest and Grayslake, Ill. Nelson's work has been featured in numerous publications such as *Healthcare Design Magazine* and *Wisconsin Architect*.

Nelson holds a master of architecture degree and a bachelor of science degree in architectural studies from the University of Wisconsin-Milwaukee.

###

Eppstein Uhen Architects is a 101-year-old, full-service design firm best known for pairing inspired design with exceptional client service. More than 130 employees in Milwaukee and Madison are challenged to go beyond design by demonstrating unparalleled commitment to the markets they serve, the community, and their clients. The award-winning firm specializes in several distinct markets: corporate office, educational, retail/mixed-use, senior living, healthcare, residential, public, industrial, master planning, and interior design. For additional information, please visit the company's website at [www.eua.com](http://www.eua.com).
